THIRD SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §§ 1.97 and 1.98, and in compliance with the duty of disclosure set forth in 37 C.F.R. § 1.56, applicants are submitting herewith copies of the references listed on the attached Form PTO-SB/08A (modified) for consideration and to be made of record herein by the U.S. Patent and Trademark Office in the above-captioned application.

Applicants further include herewith for the Examiner's consideration a BLAST search of the pp32R1 (SEQ ID NO:4) protein sequence against the National Center for Biotechnology Information (NCBI) "nr" peptide sequence database. The BLAST analysis was conducted using the NCBI Protein-protein BLAST (blastp) home page available at <http://www.ncbi.nlm.nih.gov/BLAST/Blast.cgi>, using the default search parameters. Additional information regarding any of the BLAST results of interest may be obtained using the accession number associated with each of the BLAST results, and retrieving the relevant information by accession number through the NCBI Entrez protein database available at <http://www.ncbi.nlm.nih.gov/entrez/query.fcgi?db=Protein&itool=toolbar>.

Applicants respectfully point out that the submission of the listed references in this Information Disclosure Statement is not an admission that they are prior art or that they are material to patentability of any claims of the application. Also, the submission of this Information Disclosure Statement is not an indication that a search has been made.

Consideration of the foregoing plus the prompt return of a copy of the enclosed Form SB/08A with the Examiner's initials in the left column in accordance with MPEP 609 are respectfully requested.

In accordance with 37 C.F.R. § 1.97(b), this Third Supplemental Information Disclosure Statement is believed to be submitted prior to issuance of a first Office Action after the filing of the RCE under 37 C.F.R. § 1.114. Therefore, it is respectfully submitted that no additional fee is required for consideration of this information. However, in the event any fee is deemed necessary, the Commissioner is authorized to charge the undersigned's Deposit Account No. 50-0206. In the event any variance exists between the amount enclosed and the Patent Office charges, please charge or credit any difference to the undersigned's Deposit Account No. 50-0206.

Respectfully submitted,

HUNTON & WILLIAMS LLP
